COMPANY PROFILE

YONGKANG BEIQIN INDUSTRY AND TRADE CO., LTD.

Yongkang Beiqin Industry & Trade Co., Ltd. ("Yongkang Beiqin"), located in Yongkang, Zhejiang Province (China's Hardware Capital), has specialized in rehabilitation assistive devices since 2009. Operating a 20,000m² smart factory producing 6,000+ units daily, we export to 50+ countries and provide OEM/ODM services for global brands including Homcom and Walgreens.

As a Zhejiang High-Tech Enterprise, we engineer elderly assistive products - rollators, walkers, mobility scooters, and shower chairs - using lightweight materials like aluminum and carbon fiber, supported by 60+ precision machines. Our brand Fujiang (Technology for Dignity) delivers unparalleled efficiency:

- ☑ 3-day prototyping | ☑ 7-day mass production
- ☑ 180,000-unit ready stock

Certified with FDA, CE, UKCA, ISO 13485, BSCI, etc., we implement digital management throughout R&D and manufacturing cycles. Driven by "Industrial Precision, Human-First Innovation", we develop adaptive solutions for aging communities and disabled individuals, advancing global rehabilitation standards.
